

Welcome to the Aug PG Woodturners Guild meeting.

Hi everyone.

Well this months project was spinning tops and a fine display there was with a few other items to show as well.

New business.

The meet for July was held at Ron Malyk's house with 12 members in total.

Laurier gave out the membership cards and told everyone about the discounts at White and Peters when you present your membership card.

Lin/Laurier told the members about coming up with a guild LOGO by year-end for a mini contest and the winner would get a year free dues.

Lin bought 5 DVD's from Craft Supplies and the members agreed to buy them from him, all of the DVD's were signed out that night so we can see there is a need for a larger DVD library.

The BBQ was agreed on and will be on Sept 6th at 4:00pm at Nick's house on Jutland road.

The wood Raffle raised \$28.00 this month.

Ron C told members of the up and coming Cloverdale Wood Show which will be held at the Abbotsford Trade-Ex centre this year in Oct 17-19th starts Fri @ noon till Sun @ 5:00pm

Lin spoke about the problems we are experiencing with the website and the possibilities of moving the host server to PG rather than Ontario. At the present time the server hosting is free, but when it goes down you can't really phone and complain, as we don't pay for it. If it were to be moved to PG it would cost the guild \$24.00 per month. Nothing was agreed on at the meeting but Laurier is going to get a bit more info from his brother-in-law about other options.

Ron C demo was a spinning top that turns upside down and looks like a mushroom and also a necklace pendant.

Next meeting we are to make a natural edge bowl or form. Have fun.

Old business

We are still trying to find a place in town that we could meet at on a regular basis.

Well that's about it for this month. Please remember if you need anything added or have something for sale, please let me know.

Regards Lin.
