

**Welcome to the Dec/08 PG Woodturners Guild meeting.**

Hi everyone.

Well this month's project was an OPEN class and a fine display there was with a few other items to show as well.

**New business.**

The meet for Dec was held at Lin Bayford's house with 15 members & guests in total.

Laurier spoke about the upcoming 2 Rivers Gallery display for the guild in July and reminded everyone to have at least 2 pieces to show.

Laurier showed the members the new LOGO's that were put out for display and tonight was voting night for the LOGO's for the free 1 yr membership.

Laurier asked all the members what they would like to see for each meeting next year and encouraged all of us to think about a project for each meeting that would be set out for the year. He also asked anyone to step forward to do demo's for the meetings so that one person would not be doing the entire demo's.

The wood Raffle raised \$35.00 this month.

Lin did a small demo on how to make and setup an indexing wheel and did a demo on using it with a router to make inlays on the lathe.

Ron C did a demo on a winged bowl out of Beetle Kill pine.

Next meeting we will make a Winged Bowl. Have fun.

**Old business**

Ken T was away in France and was very appreciated of all that came out to help him with his new shop, that was 2 news letters ago.

Well that's about it for this month. Please remember if you need anything added or have something for sale, please let me know.

Regards Lin.
