

## **Welcome to the July PG Woodturners Guild meeting.**

Hi everyone,

Well we missed the last few news letters due to Website problems and also updating the Website it's self. So hopefully we are good for a while with the host putting in a new server and software.

### **New business.**

The meet for July was held at Lin Bayford's house and for this meeting we were to make a Lidded Box so we had a nice display of boxes for this meeting.

Laurier explained the deal that he made with White & Peters for the purchase of sandpaper for members. So now every member will have a guild member card (by us) and when presented at W/P will get the discount.

Coming up in 09 From the Lathe 09 at 2 Rivers Gallery and it was talked about what month that would be in (Aug)??

Discussions on the BBQ for this year and could be @ Nick's house.

Lin gave an update on the possibilities of getting to use the Sandbox (meeting rm.) at the Rail Road Museum and we have been declined.

Since the last meeting Kathy (Max's daughter) got her salad bowl and loves it.

At this meeting we started to do a wood Raffle just to put a little fun and money back into the guild. So someone brings a piece of wood and tickets are sold for \$1.00 ea and the names are drawn for the wood.

Laurier said that he is working on the new membership cards and would have them by the next meeting.

Next meeting we are to make a spinning top. Have fun.

### **Old business**

We are still trying to fide a place in town that we could meet at on a regular basis.

Well that's about it for this month. Please remember if you need anything added or have something for sale, please let me know.

Regards Lin.
